Karma Kagyu Internasional

Tashi delek Lama la,

Through this letter, we would to inform the schedule of 11th Indonesia Kagyu Monlam which start at **28-30 April 2019** at Borobudur Temple, Magelang. Hopefully International Kagyu Monlam committee could announce at international kagyu monlam website pages and we hope Lama Chodrak and others committee can join at that time.

We hope many participants can join and attend at Indonesia kagyu monlam. So we appeal to International kagyu monlam commitee to arrange and communicate with other country which organize kagyu monlam schedule; it does not coincide with our monlam schedule date.

We look forward to your kind response. Thank you.

Deppet Bow,

Aliza Anggono
